**PARENTS:** Winfield Memorial Hall parking lot is available for everyone to use as a drop off and pick up spot during the week.

**Conquer The Lake** is an annual running race held in Lake Country and is returning this year (after a COVID hiatus) as an in-person event on Sunday, June 19<sup>th</sup>. It consists of a half-marathon around beautiful Wood Lake and a 5k fun run. There will also be a 1-mile fun run for kids as well. Race proceeds and any fundraising this year will be donated to a local organization which we are planning as KidSport Kelowna, an organization that provides grants to help cover registration costs so kids under the age of 18 can play sports. RINK Testify Performance are 'running' this event not only to be community-minded, but also for a great cause. They are excited to get the community involved in this event, either running the fun run or helping to volunteer on the day.

Race registration is on Race Roster and ready to go. The link to register is [here](#).
