→ Elective**	→ Elective**	→ Elective**

** = Choices to be made

*French Immersion Requirements

NOTE- New for Grad 2024, all students must have at least one 4 credit Indigenous Studies course.

Graduation = 80 credits

Acquired in Grades 10, 11, & 12

Graduation Overview

Provincial Examinations required for graduation

- ☐ Exams in numeracy and literacy are included in the graduation program.
- ☐ Results based on proficiency scale (4 point scale)
- ☐ Reported on transcript but separate from any specific school course mark.

GRADE 10	GRADE 12
→ Numeracy	
→ Literacy	→ Literacy

Capstone- CLC 12B

- Inquiry driven, self paced passion project where students showcase who they are, their skills and what they are interested in.
- Creating and preparing students for their final Capstone presentation in May.
- Paired with the students spare, and once project is complete, a full spare will be earned.

Possible Project Formats:

- 1.) Tangible Project
- 2.) Inquiry
- 3.) Entrepreneurship
- 4.) Career Passport
- 5.) Hosting an Event
- 6.) 4 Food Chiefs

How do I get my 30 hours for Graduation?

Career Exploration and Career Volunteer hours help you gain the 30 hours you need for graduation. You can accumulate these hours in Grades 10 - 12. There are lots of possibilities - see below for some examples!

Explore

- Job Shadows
- Career Fairs
- Job Fairs
- Experience OC
- Experience UBC-O
- CAT Student for a day
- OC Student for a day
- Program Shadows
- GO ENG Girl
- Fire Boot Camp
- KGH Health Care Conference
- Spotlight Classroom Presentations
- Class Field Studies

It's easier than you think!

Volunteer

- Summer and Spring Break Camps
- Monster Bash
- Scarecrow Festival
- Christmas Light Up
- Downtown Christmas Market
- Kettlebells & Poppies
- Food Drives
- YLW Ambassador
- KGH/Interior Health
- YMCA
- SPCA
- Foodbank
- Art Gallery
- Church
- Sports

Visit your Career Centre for more information!

Academic Programs

English

- ▶ English 10 - all students take English 10
- ▶ English 11- all students take First People's English 11
 - this satisfies the Indigenous course graduation requirement introduced in 2024.
- ▶ English 12- Choose between; English Studies 12,
AP English or English First People's 12(taken in Contemporary
Indigenous Studies)
 - all meet University entrance requirements

Course offerings dependent upon # of participants.

English AP

AP classes are based on First-year university courses. Students who successfully complete these will receive credit for the Grade 12 equivalent and the AP course (8 credits total)

Student will have the opportunity to write the standardized AP exam and if a high enough score is obtained may get a first-year credit at the College or University they attend.*

**assignment of credit is at the discretion of the college or university and not guaranteed*

Course offerings dependent upon # of participants.

Humanities

Students have the opportunity to take a Linear English and Social Studies class if they choose. Runs all year, one block per semester

1. Humanities 9-10

2. Contemporary Indigenous Studies 11-12

Will be a combination of First Peoples English and an Indigenous focused SS course depending on grade.

Social Studies

➤ Social Studies 10

Students will choose a Social Studies 12 course during grade 11 or 12 to meet graduation requirements.

- Law 12
- Genocide 12
- Physical Geography 12
- 20th Century World History 12
- Social Justice 12
- BC First Peoples 12 (taken as part of Indigenous Studies 11)
- Contemporary Indigenous Studies 12 (taken as part of Indigenous Studies 12)

Course offerings dependent upon # of participants.

Science

Grade 10 - all students take Science 10

Grade 11 - to Graduate students must take a Science 11 or 12

Science for Citizens 11-A non-academic science. Does not meet university entrance requirements but works for graduation.

Life Science 11- A survey course on various biology topics with a focus on plants.

Chemistry 11-Strong math background needed! Foundations/Pre-cal Math 10 minimum!

*Physics 11- Strong math background needed! Foundations/Pre-cal Math 10 minimum!
Recommended take Pre-calculus Ma 11 before or concurrently with Physics 11.*

Environmental Sc 11-The study of how living organisms, soil, air, water and energy are interconnected and interdependent.

Earth Science 11- The exploration of the Earth and its orientation in space.

Science

Anatomy and Physiology 12

A&P 12 focuses on structures and functions of the human body

Chemistry 12

Strong math background needed! Must have Chem 11 credit prior to this course.

Physics 12

Strong math background needed! Must have Physics 11 credit prior to this course. Recommended take Precalculus Ma 12 before or concurrently with Physics 12.

Course offerings dependent upon # of participants.

ASPIRE

Applied Sciences

ASPIRE CHEMISTRY 12

Chemistry 12 (4 credits)

- ChemCorp: ASPIRE Division
- Solve Real-World Problems
- Focus on Scientific Skills

Advanced Lab Science 12 (4 credits)

- Post-Secondary Level Labs
- Specialized Instruction
- UBCO Mentorship - **BRIDGE Program**

CLC 12 (2 credits)

- Personalized Capstone Project
- All Volunteer Hours Completed
- Off-Campus Learning Experiences

***Note that students who choose to take ASPIRE can request a spare in their**

ASPIRE GALLERY: Fall 2024

Math

WORKPLACE 10

APPRENTICESHIP
MATH 12

- ✓ Graduation
- ✓ University Transfer ARTS (OC) & ARTS @ UBC-O
- ✓ Business Degree (OC)
- ✓ Many trades

COMMON MATH 10

Foundations/Pre-Calculus 10

Foundations 11

- ✓ Graduation
- ✓ University Transfer ARTS (OC)
- ✓ ARTS @ UBC-O, SFU, & UVIC *** see below

Foundations 12

- ✓ Business Degree (OC)
- ✓ ARTS @ UBC-O, SFU, UVIC (strongly recommended for course pre-requisites)

Pre-Calculus 11

- ✓ Graduation
- ✓ University Transfer ARTS (OC)
- ✓ ARTS @ UBC-O, UBC-V, UVIC, & SFU

Pre-Calculus 12

- ✓ SCIENCES & BUSINESS DEGREES @ UBC-V, UBC-O, UVIC, & SFU, OC

Math

Important notes:

✓ ALL Math course paths are valid & “good” courses.

✓ Consider your skills, your interests, & your path

✓ Pre-Calculus leaves maximum options for post-secondary but is it the right path for you?

✓ Talk to your teachers!

Foundations 12

✓ Business Degree (OC)

✓ ARTS @ UBC-V, & SFU & UVIC

Foundations 12 is NOT an approved grade 12 course for calculation of university entrance at UBC.

Pre-Calculus 12

✓ SCIENCES & BUSINESS @ OC, UBC-V, UBC-O, UVIC, & SFU

Calculus 12

✓ Strongly recommended for science or math and some business programs in post-secondary

Course offerings dependent upon # of participants.

Elective Programs

Remember:

ELECTIVES

Open to all grade 10-12 students regardless of prior experience.

Some exceptions apply (ie: Automotive, band, languages)

Look for more detailed information on courses in the Course Description Booklet

Physical Health Education

Any of these courses can count
as your Grade 10 PHE
requirement for Graduation

- PHE 10
- Active Living 11-12
- Lifetime Fitness 10-12
- Hockey Academy 9-12
- Soccer Academy 9-12
- High Performance Volleyball 10-12
- High Performance Basketball 10-12
- Fitness & Conditioning 10-12**

**this class takes place after school in the weight room.

Physical Education ACADEMIES

SOCCER ACADEMY	\$400	DEPOSIT: \$100 DUE: March 8th REMAINDER DUE: June 3rd
HOCKEY ACADEMY	\$725	
Goalies	\$360	

What about a LANGUAGE?

~ great idea!

BUT is a 2nd language required ??

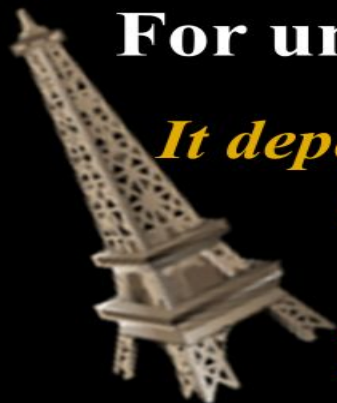

For graduation? **NO**

For trades or vocational programs? **NO**

For university entrance? ... maybe

It depends on if you go straight to university from high school, the program you choose, & the university/college you attend.

It's a good idea to keep your options open!

Languages

French

- French 9 through 12

Spanish

- Introductory Spanish 11, Spanish 11 and Spanish 12.

- 2nd Language to gr 11 level needed to go straight to university in some cases (Introductory 11 courses do not count)
- Language to gr 12 level needed for graduation from some university programs (particularly ARTS based)

Course offerings dependent upon # of participants.

Psychology 12

Psychology is the scientific study of behavior and mental processes.

Some topics included are: psychological disorders, memory, cognition, language & intelligence, motivation & emotion, the stages of human development, and sensation & perception.

The course is very focused on student choice and project-based learning.

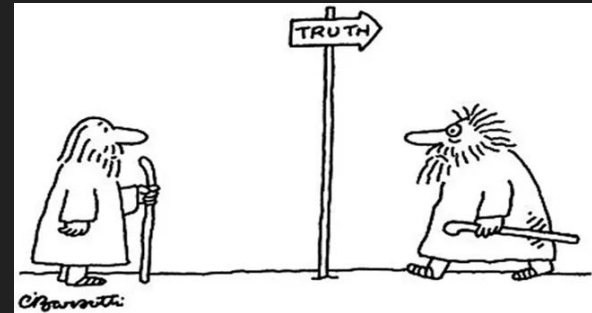

Philosophy 12

"Who am I?" "What is the meaning of life?" "What is right and wrong?"

Philosophy takes on many of life's big questions.

Students will use their critical and creative thinking and engage in discussions, debates, written essays, and projects.

~ Band

~ Studio Art

~ Guitar

~ Commercial Music

~ Ceramics &
Sculpture

Fine Arts

~ Creative Writing

~ Photography

~ Dice and Dragons:
Adventures in Tabletop
gaming

~ Drama/Theatre Production

See the Course Description Booklet online for course information.

Course offerings dependent upon # of participants.

INDIGENOUS VISUAL ARTS 10/11/12

The goal of this course is to honour and celebrate the Indigenous community through visual art and provide an opportunity for any student to learn and experience these visual art forms.

- Connection to Place: Land based learning and multiple field studies across the Okanagan
- Learning alongside syilx Elders and Knowledge Keepers
- Learn a diverse set of skills including creating ecodyes, using medicines to create natural products, weaving, printmaking, beading, painting, and more.
- Use a variety of mediums to create art, such as: natural materials, felt, wool, beads, plants, paints, wire, clay, and more.
- Be inspired by historical and modern Indigenous art
- Students will co-designing our learning experiences

This hands-on course is open to all grade 10, 11, and 12 students. This course satisfies the "Elective" graduation requirement as well as the Indigenous graduation requirement.

Academy of Art & Design

What is it?

- a program for students who are passionate artists and interested in pursuing the arts after graduation, either professionally or at post-secondary. You will get to spend the whole semester working with other similarly passionate and artistic students.

Who is it for?

- grade 11 or 12 students passionate about the arts (any or all of the following: drawing, painting, filmmaking, photography, animation, design, etc.). Especially students who have practiced a lot in arts classes or extensively at home.
- students will spend an entire semester focused on what they love and building a portfolio they get to take with them.

Course offerings dependent upon # of participants.

Classes:

- Foundation Arts 12
- Photography/ Video Production 12
- Design/Animation 12
- Arts-based Careers 12
- *Independent Study
- *Work Experience

*these are the types of courses that have been offered in the past.

Cost:

- \$350

This will cover the costs of your portfolio and other materials needed for the program. It also will cover part or all of any field trips around the Okanagan and potentially further. For families who need support, the school will work with you on a case-by-case basis.

GES ACADEMY OF ART & DESIGN

SCARLETT SERGEANT, 2019

FEDERICO VACCA, 2020

MARCELLA YOUNG, 2020

The academy is an arts-based, intensive and immersive program that will intentionally guide and encourage students to focus solely on their creative goals while honing a variety of skills and developing a diverse body of works for their portfolios.

In a single semester, students will take the following 4 credit courses:

Art Foundations 12	Careers 12
Film & Photography 12	Independent Studies 12
Digital Design & Animation 12	Work Experience 12 (optional)

Students will take these classes as a cohort to encourage development of innovative ideas, hone skills, allow students to become experts in their chosen area of study, and apply that expertise in individual and collaborative settings. Students will collaborate and learn alongside like-minded creatives in a collegiate atmosphere modeled after the post-secondary fine arts experience.

A portfolio and equipment fee of \$350 is required, but special considerations and options are available.

Contact your school counsellor for more information.

BE WHO YOU ARE. REALIZE YOUR CREATIVITY.

Excited?

This Academy is meant to be the dream semester for passionate and experienced Arts students who want to:

Work with passionate people.

- Learn more skills while honing existing ones.
- Build your portfolio.
- Meet industry professionals.
- Get a solid start for a life in the arts after high school.

AP PASSION TO ACTION

CONNECTING TO AND CREATING IMPACT IN OUR COMMUNITY

"AP Passion to Action" is not just a course; it's a call to transform your passions into **meaningful contributions** for our local community. Pursue your **passions**, discover **purpose**, and **guide your own learning** in this transformative course.

This course seamlessly integrates **English First Peoples 11, Career Life Connections A, and AP Seminar** into a year-long learning experience that emphasizes exploration, inquiry, changemaking, and community.

In this course, you will **learn more about yourself** and what you care about by exploring your **interests, curiosities, and potential future pathways**.

You will personalize your learning journey by selecting and embracing a variety of opportunities which will include **experiential learning on the land** to foster a deep connection to this place, and **planning field studies** which align with your personal growth. You will also have ongoing opportunities for **self/group-directed inquiry research in your passion areas**. You will connect with **community experts and local Elders and Knowledge Keepers to take action and create positive change** for yourself, your community, and/or this place.

AP Passion to Action 11

Connecting to and Creating Impact In Our Community

- Build a strong community with your peers through conversations and shared experiences.
- Through an inquiry based approach, learn more about yourself, your passions, and your role in the community.
- Choose your own adventure by exploring your interests, curiosities, and potential future pathways.
- Personalize your learning journey by embracing off-campus learning experiences
- Spend quality time outdoors, learning from the environment & gaining insights from community experts and local Indigenous Knowledge Keepers.
- Transform your passions into meaningful contributions for our local community.
- Receive 4 credits at OC or UBCO that count towards a degree

*****The course follows a linear structure & would run half day, every other day*****

AP PASSION TO ACTION 11

In the AP Passion to Action course, students will receive 10 credits:

1. AP Seminar (4 credits)
2. CLC 12A (2 credits)
3. English FP 11 (4 credits)

"AP Passion to Action" is a dynamic Grade 12 course which invites students to **explore their passions and curiosities through land-based, inquiry-driven learning**, while focusing on **making a meaningful impact for themselves, for their community, and/or for the land**. Students will **co-design** their learning experiences, allowing them to engage deeply with **topics they care about**, while gaining **hands-on experience** that connects them with the land and the community around them.

Throughout the course, students will explore key issues related to **environmental sustainability, social justice, and community well-being**. They will be encouraged to **develop actionable ideas and solutions, working closely with Indigenous Elders and Knowledge Keepers, mentors, experts, and community leaders** who will help them bring their vision to life. Students will also learn how to apply for micro-grants which can support them with their **'Do Good Projects.'** Whether addressing local environmental challenges, advocating for social equity, or shaping their own career pathways, students will learn how to **create positive change in the world**.

By the end of the course, students will have developed a **strong sense of their role** in addressing global and local challenges, while also **gaining skills** in critical thinking, project management, and community collaboration. They will leave with a **sense of accomplishment**, having made meaningful contributions to their community and the land, while also **gaining clarity about their own futures** and how they can **make a lasting difference** in their communities and beyond.

AP Passion to Action 12

Connecting to and Creating Impact In Our Community

- Build a strong community with your peers through conversations and shared experiences.
- Co-design and personalize your learning experiences
- Through an inquiry based approach, learn more about yourself, your passions, and your role in the community.
- Choose your own adventure by exploring your interests, curiosities, and potential future pathways.
- Personalize your learning journey by embracing off-campus learning experiences
- Spend quality time outdoors, learning from the environment & gaining insights from community experts and local Indigenous Knowledge Keepers.
- Transform your passions into meaningful contributions for our local community.
- Receive 4 credits at OC or UBCO that count towards a degree

George Elliot Firefighter Boot Camp in Partnership with Lake Country Fire Dept.

March 17-21, 2025
8:00am-4:30pm
Lunch provided each day

Firefighting Academy

- Outside of the timetable in Semester #2.
- Sessions are Mondays and Thursdays from 4-6 pm at LCFD and attendance is mandatory.
- Minimum Grade to apply is Grade 10, preference given to older students.

Certifications and School Credits

4 credits for school

Enrolled into the Red Cross;
BLS (First Responder), AED, CPR, Spinal MR

B.C. Wildfire Service Forest Fire Suppression Fundamentals and Safety and Fire Behavior (S100, S185, ICS 100)

Participate in Live Fire training at North Okanagan Fire Training Centre.

Upon completion of the course, students will receive a syllabus with job performance skills and a record of achievement to support their future career goals and job placement opportunities.

Cost \$300

School District 23 now has a **LIFEGUARD ACADEMY!!**

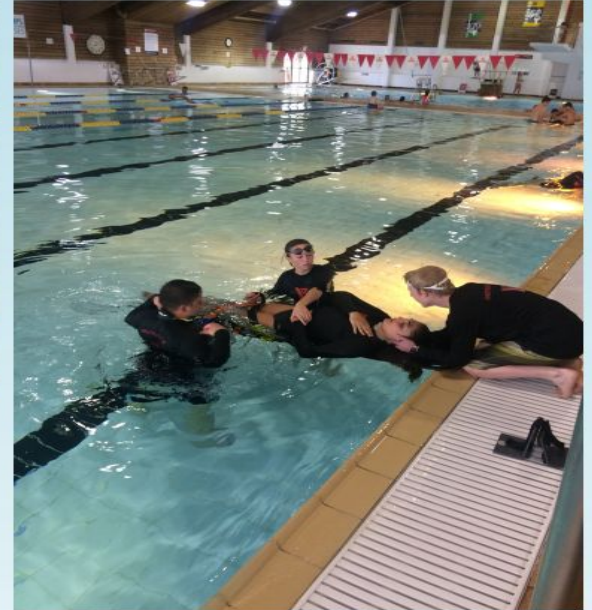

You can become fully certified as a Lifeguard with just 2 high school courses!
These courses are taught through RSS.

- The lifeguard certifications that candidates can attain in Pre-Lifeguarding 11 are:
 - Standard First Aid certification
 - Bronze Medallion certification
 - Bronze Cross certification
 - YMCA Water Safety Instructor certification
- The Lifeguard Certifications that candidates can attain in Pre-Lifeguarding 12 are:
 - National Lifeguard Pool certification
 - National Lifeguard Waterpark certification
 - Lifesaving Instructor certification
- Follow us and message your interest on Instagram at :

GuardingRutland

Or email Mr.McNabb directly at
allen.mcnabb@sd23.bc.ca

Work Experience 12

SEE MR. FRECHETTE FOR ENTRY!

- **Outside of timetable!**
- **present job, not PAST employment**

Requirements:

- Register work placement with Career Centre
- Accumulate 100 hours of work experience (paid or unpaid)
- Complete a post-work experience report

External Credits

A student can earn school credits for some specific programs:

For Example;

- Driver Training Course
- Girl Guides / Cadets
- Provincial & National level sport teams
- NLS & Bronze Cross (swimming)
- Royal Conservatory Music levels

*** Credits are given for SPECIFIC levels of participation as determined by the Ministry of Education.**

Check with a counsellor!

Future Planning

PLANNING for Post-Secondary

DO YOUR RESEARCH!

www.educationplannerbc.ca

Explore post-sec options in BC, careers, where programs are offered, projected income, and apply to post-secondary institutions

myblueprint.ca/sd23

Create an account, complete inventories to assess your skills and receive career suggestions, research schools for programs across Canada, etc.

Remember to check institution websites too!

PLANNING for Post-Secondary

Lots of Options available to you!

UNIVERSITY ACADEMIC

ie: UBC, UVIC, SFU, etc.

UNIVERSITY TRANSFER

ie: Okanagan College

HANDS-ON & SKILL BASED

ie: BCIT, SAIT

✓Power Engineer

✓Radio Broadcasting

CREATIVE PROGRAMS

ie: CATO, MC College

✓Make-Up

✓Sound Engineering

TRADES

ie: Okanagan College, BCIT

ie: SD 23 Dual Credit Programs

PLANNING for Post-Secondary

University Entrance

ENGLISH 12

- EMR (RSS & Justice Institute of BC)
- Apprenticeship (ITA Youth Work)

Things to
consider

Online Education

Be realistic!

This is NOT the 'easier' way to take a course!

****Gr 12: online courses required for graduation must be on track for completion by middle of May.**

****Gr 12: check with your prospective Universities regarding their rules around online completion dates.**

Plan Carefully!

Changing courses will NOT be simple and extra space in any course is not guaranteed.

Oh no!
I changed my
mind about
Foods and now
there is no room
in Video!

GES Course Policy

Grade 10: 8 courses inside timetable
NO SPARES

Grade 11: 8 courses inside timetable
NO SPARES

Grade 12: 8* courses inside timetable
* includes a mandatory Capstone course, which, when completed, becomes a spare.

**Online courses are 'extra' & not part of timetable course count.

Get more information:

Further Course Descriptions can
be viewed at:

GESS School Website

<http://www.ges.sd23.bc.ca>

(Student tab - Course Selection)

MyEd Course Selection

Course selection will occur online for all students.

**You will be able to log in to MyEd
Feb 18th to March 9th.**

MyEd Course Selection

Some hints for successfully selecting course on MyEd

1. KNOW YOUR USERNAME AND PASSWORD!!!!
2. Use a computer, NOT your phone! The site is not designed for cell phones.
3. Use the link to the MyEd site on the GES webpage to ensure you have the correct one.
4. Please ensure you pick a couple of alternate courses in case your primary choices don't work.
5. Watch the MyEd tutorials on the GES webpage for detailed instructions on the selection process.
